Please join **SAN BERNARDINO COUNTY** on **MARCH 13** for the  
***2018 Regional Business Summit***

You are invited to attend the premier business event of the year.

The driving force of business is no longer location but is now a skilled workforce because the future of business is changing and so must the workforce needed to support it.

Attend this dynamic event and learn how both local and global business leaders are working to build a healthy economy by preparing the future workforce for a marketplace ripe with demand.
